RENEWED PETITION UNDER 37 C.F.R. §1.181

In response to the dismissal of Applicants' Petition filed on July 18, 2008, to withdraw the holding of abandonment, the Applicants submit this renewed petition:

1. According to a Notification of Abandonment, mailed by the USPTO on July 14, 2008, the application was abandoned on the basis that "no response to 905 dated 01/26/07" (Exhibit A)

2. The Applicants did not receive the Notification of Missing Requirements at the correspondence address of record, and a search of the undersigned practitioner's records indicates that the Notification of Missing Requirements was not received. Furthermore, there is no record in PAIR of the mailing of a Notification of Missing Requirements. (Exhibit B)

3. Responsive to the Examiners statement regarding establishment of a showing of non-receipt of the office action, the practitioner's office maintains a docketing system that logs all incoming correspondence from the U.S. Patent Office, as evidenced by the copy of the master docket record (Exhibit C) for the practitioner's office, listing all replies docketed for the due date (March 26, 2007) for the Notification of Missing Requirements.

Based on the foregoing statement of facts, the Applicants contend that a Notification of Missing Requirements was never received and, therefore, the holding of abandonment for failure to respond thereto should be withdrawn.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Sidney L. Weatherford", written in a cursive style.
